

Commercial Refrigeration

SF28 Commercial Freezer

Optimum frozen storage to -23.4°C (-10°F), HABCO® Freezers are digitally controlled for energy efficiency and convenience.

SF28 (shown) with glass door. Stainless Xterior™ single and double door models available.

ESM5* Counter-Top Cold Space Merchandiser®

Cold Space Merchandisers® with Cassette® provide premium cold product merchandising. On the counter, at the check-out or elsewhere, HABCO® Cold Space Merchandisers® are well regarded as the industry choice for impact and pulldown.

Up to 52% More Energy Efficient!

SE40e Commercial Refrigerator

Long respected for it's versatility, the SE40e featuring Easy-Glide Sliding Door System is well equipped for demanding commercial applications.

Traditional split-system refrigeration at it's very best.

SE18M* Commercial Refrigerator

HABCO's SE18M Commercial Refrigerator with Cassette® is the refrigeration industry equivalent of a cross-over.

Combining all the benefits of a merchandiser, while maximizing cold storage and refrigeration protection against foodservice demands, the SE18M will fit into all the old spaces and all the new places.

Stainless Xterior™ SE18SX also available.

SE46SX

Stainless Xterior™ Commercial Refrigerator

Commercially finished with Stainless Steel Front and Sides, HABCO® Stainless Xterior™ models are well-suited for demanding commercial applications.

Equipped with Recessed Handle(s), Door Lock(s) and Digital Thermometer. Glass Door models available.

C5 - 3 Series

C5 - 1 Series

BIG NEWS from METRO

We put space to work.™

1 Series and 3 Series Heated Holding and Proofing Cabinets

Both Series include:

Three Models: Proofing, Holding and a Combination model.
Choice of cabinet height: Full, 3/4 height and 1/2 height.

C5 - 1 Series

Non-Insulated Heated Holding and Proofing Cabinet.

Metro has updated the design to include all Aluminum Construction.
Clear Polycarbonate field reversible doors and removable heat pack modules to make cleaning easier.

C5 - 3 Series

Insulation Armour™ Heated Holding and Proofing Cabinet.

Protection and control in all the right configurations make a difference you can see and feel. Insulation Armour retains heat and provides a cool-to-touch exterior. Durable Polymer construction is dent, impact, and stain resistant. Molded-in hand holds for easy mobility.

Doors are available in Full or Dutch, clear polycarbonate or solid insulated aluminum.
